- Register your intent to compete in the Team Obstacle and register your team as well. However, you can make changes at any time prior to the start of the Obstacle Course. Mixed teams are welcomed and encouraged (i.e. members from different departments). Teams consist of 3 members.
- You may make changes up to 2 hours prior to the start of each event i.e. classes horses, riders etc. Pre-registration is necessary to prepare the program and lineup for the obstacle and equitation classes.

Recreational Registration

On Friday day we plan on doing a trail ride at Letchworth State Park, known as the Grand Canyon of the East. We have gotten permission to ride down to the falls, which a regular tour would not be able to do. We would like to have an idea of how many riders we would have for food and guide planning

Friday evening we have planned a ride on The Arcade and Attica Steam Railroad, one of the few steam engines still in service in the country. We will have refreshments on the train and dinner at the end of the line. There will be no additional charge for competitors. Guest will be charged \$25
